Why We Collect and Use Governance Information

The personal data collected is essential, in order for the school to fulfil their official functions and meet legal requirements.

We collect and use governance information, for the following purposes:

- a) to meet the statutory duties placed upon us

Under the UK General Data Protection Regulation (UK GDPR), the legal bases we rely on for processing personal information for general purposes are:

- for the purpose **a)** named above in accordance with the legal basis of **Legal Obligation**

All maintained school governing bodies, under [section 538 of the Education Act 1996](#) and academy trusts, under the [Academies Financial Handbook](#) have a legal duty to provide the governance information as detailed above.

In addition, concerning any special category data:

- conditions of [GDPR - Article 9](#)

Special Categories of data are set out in Article 9 of the UK General Data Protection Regulation. Grove Learning Trust will work within the conditions of [GDPR - Article 9 of the UK GDPR](#):

- (9.2a) explicit consent. In circumstances where we seek consent, we make sure that the consent is unambiguous and for one or more specified purposes, is given by an affirmative action and is recorded as the condition for processing. Examples of our processing include volunteer dietary requirements, and health information we receive from our volunteers who require a reasonable adjustment to access our site and services.
- (9.2b) processing is necessary for the purposes of carrying out the obligations and exercising specific rights of the controller or of the data subject in the field of employment and social security and social protection law in so far as it is authorised by Union or Member State law or a collective agreement pursuant to Member State law providing for appropriate safeguards for the fundamental rights and the interests of the data subject.
- (9.2c) where processing is necessary to protect the vital interests of the data subject or of another natural person. An example of our processing would be using health information about a volunteer in a medical emergency.
- (9.2f) for the establishment, exercise or defence of legal claims. Examples of our processing include processing relating to any employment tribunal or other litigation.
- (9.2g) reasons of substantial public interest. As a school, we are a publicly funded body and provide a safeguarding role to young and vulnerable people. Our processing of personal data in this context is for the purposes of substantial public interest and is necessary for the carrying out of our role. Examples of our processing include the information we seek or receive as part of investigating an allegation.
- (9.2j) for archiving purposes in the public interest. The relevant purpose we rely on is Schedule 1 Part 1 paragraph 4- archiving. An example of our processing is the transfers we make to the County Archives as set out in our Records Management Policy.

We process criminal offence data under Article 10 of the UK GDPR.

Our Data Protection Policy highlights the conditions for processing in Schedule 1 of the Data Protection Act 2018 that we process Special Category and Criminal Offence data under.

- will enable local authority maintained schools, academies, academy trusts and the Department for Education (DfE) to identify more quickly and accurately individuals who are involved in governance and who govern in more than one context
- allows the Department for Education (DfE) to be able to uniquely identify an individual and in a small number of cases conduct checks to confirm their suitability for this important and influential role
